The Ages of Astrophotography 1839 - 2015

Reading Our eBooks

Celebrating Edwin P. Hubble (1889-1953)

Stefan Hughes

1. Opening our eBooks

Once you have downloaded one of our eBooks in an Archive.7z, it can be opened using **WinRar**, **WinZip** or the free **7-Zip** program downloadable from our website.

If you do not have WinRar or WinZip on your PC then you can use this link to download <u>7-Zip</u>.

On opening the Archive file you will see the screen (or something similar depending on the program you are using):

| | | Statistic These | | ophotography\Licer | nses\AOA.1_Ages | of Astrophotograp | ohy_PC_e — | |
|----------------------------------|-------------|-----------------|-----------------------|------------------------|-----------------|-------------------|-------------------|-------------|
| File Edit View | - | - | × | <mark>ា</mark> Info | | | | |

Once the installation has been completed, and you have opened your eBook, you will see the screen:

| Read Password Au | thentication | × | | |
|---------------------------------------------------------------------------|-----------------------------------------------|-----------|--|--|
| To obtain the pas | sword to read your eBook, please send an emai | il to: | | |
| activation@catche | @catchersofthelight.com | | | |
| with the following information: | | | | |
| Your Name Title of eBook Pur Date of Purchase Machine ID: (displ | | | | |
| Machine ID: | 66FFBFE7E961-2 | | | |
| Read Password: | | | | |
| | Remember read password | Ok Cancel | | |

In the above window is displayed a 'Machine ID' which is unique to the eBook and your PC; and yours **ONLY**. To open your eBook this Machine ID must be emailed to us at: activation@catchersofthe light.com, with the following information:

- Your Name;
- Title of eBook Purchased;
- Date of Purchase;
- Machine ID.

We will then send to you the password to open your eBook. This you then copy and paste into the above activation window:

Then Press Ok and your eBook will be opened and can now be read.

2. Reading Our eBooks

When opened you will be presented with a screen displaying the first page of the eBook.

The eBook is displayed in a customized PDF reader, which presents many features not found in even the most expensive programs.

Initially the eBook is displayed in 'Read' mode.

However to get the best out of your eBook, we recommend you use '**Presentation**' mode, which provides many useful features including:

- Navigation buttons;
- Page thumbnails;
- Bookmarks;
- Search functions;
- Pan, zoom in/out buttons.

To switch from '**Read**' to '**Presentation** mode', is via the toolbar:

which is displayed by moving your mouse to the bottom of the open ebook window, and clicking the right most '**Acrobat**' icon.

The screen then changes to the following:

which now has two toolbars, one on the left of the screen and one at the top. The function of these are given below:

| Icon | Function |
|------|---------------------------------------------------------------------------------------|
| | Page Thumbnails. Selecting a thumbnail will move to that page. |
| | Bookmarks. Selecting a bookmark will move to that part of the eBook. |
| Ĭ | File Attachments (Not applicable) |
| ñ | Text Search. You can search for single words or phrases in the text and in bookmarks. |

| Share | Share. Disabled |

3. Tips & Troubleshooting

If you are experiencing trouble installing and reading the PDF eBook version then please follow the advice:

- Before installing the program, try turning off your Anti-Virus software temporarily;
- After extracting the installer **.exe file**, run it as an administrator (right click, then choose 'run as administrator option');
- Set the installed AOA_PC.exe file as an 'exception' in your Anti-Virus software so it does not scan it;
- If you receive an Adobe Reader error, then turn off 'protected view' setting in program preferences;

The above represent the most common causes of problems found by customers.

If you are still having problems, then contact us at:
